

Washington University in St. Louis

SCHOOL OF MEDICINE

Accreditation

Physicians: Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Washington University designated this educational activity for a maximum of 11.5 hours in Category 1 credit toward the AMA Physician's Recognition Award. Each physician should only claim those hours of credit that he/she actually spent in the educational activity.

CME Certificates will be mailed directly from Washington University at the completion of the course.

Nurses: Lynn Hadaway Associates, Inc. is an accredited provider of continuing education for nurses by the California Board of Registered Nurses, CEP 13546. Upon attendance of the program, the nursing participants will receive a certificate of completion for 10 contact hours.

Disclosure Policy

It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an education presentation.
